INDEX TO *THE BULLETIN* OF THE ABC VOLUME 52, 1989

This indexes Volume 52, Numbers 1-4. It is arranged by author / title, title / author, and keyword. The numbers 52:3:2-7:September 1989, represent the volume, issue, page, and date respectively. The author index gives the name of all authors. Where there is more than one author for an article, cross reference entries are made under the names of coauthors also. The title and keyword indexes, if used together, would facilitate a good subject search:
